Class Descriptions

First Steps Pistol / Rifle:

For those with little or no experience with firearms. Safety, basic firearm components, ammunition and maintenance will be presented. A live fire exercise will follow the class. This is a women only class. Cost: \$25.00

NRA Basics of Pistol

Shooting: Intended for all individuals regardless of previous shooting experience or NRA-affiliation and is available for delivery in two ways. One option is the traditional, instructor-led course where you will receive direct instruction from an NRA-certified instructor from beginning to end. The other option has two components: a self-study or “e-Learning module” which is completed online in your own timeframe and a hands-on practical portion conducted in a classroom and shooting range with an Instructor. Cost: request more information.

Class Descriptions (con't)

Try It Before You Buy It: A discussion of the features and characteristics participants might wish to consider in the purchase of a firearm and the opportunity to shoot a variety of handguns with the goal of helping participants to determine which — pistol, revolver, model, caliber, etc. might be best suited for them. Cost: \$25.00

NRA Basic Rifle: Teaches the basic knowledge, skills, and attitude necessary for the safe use of a rifle in target shooting. Cost: \$35.00

Women's Trapshooting Clinic: Covers instruction and two boxes of shells. Shotguns available or use your own. Instructor is Tina Capatch—ATA competitor and champion. Cost \$40.00
