All shooting is conducted under supervision of NRA Range Safety Officers and experienced shooters to assist you to shoot safely and properly. Our NRA-Certified Instructors, highly experienced shooter/instructors, and National Championship shooters will individually coach you. We recommend you wear tennis shoes or hiking shoes with long pants and long sleeved shirt or light jacket for comfort outdoors and while shooting. Those Ladies, with their own pistol, who wish to use our range after the event may bring their firearm and one box of ammunition for range time afterwards.

If you are considering purchasing a firearm, this is an excellent opportunity to ask a lot of questions to a lot of people with a lifetime of experience.
